## WHAT IS THE PRODUCT?

### Type:

Mutual Investment Fund under Luxembourg Law governed by Part I of the Law of December 17, 2010.

### Term:

This sub-fund is not subject to any fixed term. The Fund is established for an unlimited duration; it may be dissolved at any time with the mutual approval of the Management Company and the Depository Bank. The Fund shall be liquidated in the cases provided for in Article 22 of the Law of December 17, 2010. The Management Company may decide to enter into liquidation the Sub-Fund in case of extraordinary events such as changes in the political, economical or monetary situation or when the net asset of the Sub-Fund is less than a minimum level for the Sub-Fund to be operated in an economically efficient manner, as further described in the Prospectus.

### Objectives:

The Sub-Fund has been categorized as an ESG Promotion Strategy Sub-Fund in accordance with article 8 of the SFDR. The Sub-Fund, expressed in Euro, has as investment objective to deliver positive absolute returns over a medium term horizon, through active investment in debt transferable securities and their derivatives. The Sub-Fund aims at achieving positive returns regardless of the direction of the credit market. The Sub-Fund invests primarily in securities issued by private enterprises, supranational, governmental, agencies, local authorities issuers or guarantors (the security and/or the issuer can be rated investment grade, sub-investment grade, unrated or distressed), without restriction on financial rating, domicile, or currency of denomination, which comply with Environmental, Social and Governance ("ESG") criteria. The Management Company's ESG criteria analysis incorporates elements of negative and positive screening alongside general and security specific Socially Responsible Investing ("SRI") / ESG related analysis and ultimately, in alignment with the investment objective and policy of the sub-fund, The detailed ESG criteria and exclusions applied are available in the Investment Policy of the Sub-Fund in the Prospectus. The Sub-Fund may also invest in Asset Backed Securities up to 15% of the net assets and in Contingent Convertible Bonds up to 10% of its net assets. The currency exposure will normally be hedged back to Euro. The Sub-Fund may invest also in securities issued by entities domiciled in emerging market countries. Although the main focus of the Sub-Fund will be to profit from active credit risk management, the Sub-Fund may be exposed also to additional financial risks, especially interest rate risk and currency risk. The Sub-Fund will use derivatives for hedging purposes and for investment objectives. The derivatives instruments used will be, but will not necessarily be restricted to: listed derivatives (as futures and options on bonds and interest rates) and over-the-counter derivatives like credit default swaps (on indices, baskets and on single names), interest rate swaps, forward foreign exchange contracts, total return swaps, credit default options. The Sub-Fund is actively managed. The Sub-Fund is not managed in reference to a benchmark.

This is a capitalization Unit-Class which reinvests all income generated by the Sub-Fund.

You may request to redeem the units held at any moment, in accordance with the Prospectus.

### Intended Retail Investor:

The Sub-fund is suitable for investors who look for medium term investments and have a preference for sustainable ESG strategies. The investor must be able to accept a certain volatility and the possibility of losing a part of the invested amount. This product is for investors who meet the conditions for accessing the product in question (see prospectus) with any level of knowledge and experience. Investors should understand the product risks and only invest if they can bear potentially substantial losses.

## WHAT ARE THE RISKS AND WHAT COULD I GET IN RETURN?

### Risk indicator

←----- Higher risk  
 Lower risk ----->

The risk indicator assumes you keep the product for a minimum of 4 years.

The actual risk can vary significantly if you cash in at an early stage and you may get back less.

You may not be able to sell your product easily or may have to sell at a price that significantly impacts on how much you get back. The redemption price may, depending on the evolution of the net asset value, be higher or lower than the paid issue price.

Specific reasons, such as change restrictions or circumstances outside the control of the Depositary Bank, may render impossible the transfer of redemption amount in the country where the redemption is requested.

**Other risks materially relevant not included in the SRI:** Counterparty Risk, Credit Risk, Derivatives Risk, Cocos risk, Developing Markets Risk, ESG Risk, Liquidity Risk, Regulatory risk,

This product does not include any protection from future market performance. Please refer to the 'Risk' section of the prospectus for more details.

What you will get from this product depends on future market performance. Market developments in the future are uncertain and cannot be accurately predicted.

The unfavourable, moderate, and favourable scenarios shown are illustrations using the worst, average, and best performance of the fund completed where applicable by that of its reference framework over the last 10 years. Markets could develop very differently in the future.

The stress scenario shows what you might get back in extreme market circumstances.

This type of scenario occurred for an investment between 2013 - 2023.

The figures shown include all the costs of the product itself, but may not include all the costs that you pay to your advisor or distributor. The figures do not take into account your personal tax situation, which may also affect how much you get back.

## WHAT HAPPENS IF FIDEURAM ASSET MANAGEMENT (IRELAND) DAC IS UNABLE TO PAY OUT?

There is no compensation or guarantees for investors in the event of the insolvency of the Management company. It is specified that each mutual investment fund constitutes an autonomous and separate asset in all respects from the assets of the Management company and from that of each investor as well as from any other assets managed by the same Management company. Furthermore, the Management company is liable exclusively for the obligations contracted on behalf of the Sub-Fund with the assets of the same fund. On those assets actions by creditors of the Management company or creditors of the depositary or sub-depositary are not permitted. The creditors of individual investors are permitted to take action only on the units/shares held by the individual investors. The Management company may in no case use, in its own interest or in the interest of third parties, the assets belonging to the managed funds.

## WHAT ARE THE COSTS?

The person selling or advising this product may charge other costs, in which case this person will provide you with information about these costs, and should show you the impact that all costs will have on your investment over time.

### Costs over Time

The tables show the amounts that are taken from your investment to cover different types of costs. These amounts depend on how much you invest, how long you hold the product and how well the product does. The amounts shown here are illustrations based on an example investment amount and different possible investment periods:

We have assumed:

- In the first year you would get back the amount that you invested (0% annual return). For the other holding periods we have assumed the product performs as shown in the moderate scenario.
- EUR 10 000 is invested.

Investment: 10 000 EUR	If you exit after 1 year	If you exit after 4 years
<b>Total Costs</b>	328 EUR	832 EUR
Annual Cost Impact*	3.3%	2.1%

\*This illustrates how costs reduce your return each year over the holding period. For example it shows that if you exit at the recommended holding period your average return per year is projected to be 0.9% before costs and -1.2% after costs.

### Composition of Costs

One-off costs upon entry or exit		If you exit after 1 year
<b>Entry costs</b>	1.51% of the amount you pay in when entering this investment (including fixed fees)	151 EUR
<b>Exit costs</b>	0.05% of your investment before it is paid out to you (including fixed fees)	5 EUR
<b>Ongoing costs</b>		
<b>Management fees and other administrative or operating costs</b>	1.05% of the value of your investment per year. This amount is based on costs incurred for the custody, the administration and the management of the product.	108 EUR
<b>Portfolio transaction costs</b>	0.65% of the value of your investment per year. This is an estimate of the costs incurred when we buy and sell the underlying investments for the product. The actual amount will vary depending on how much we buy and sell.	64 EUR
<b>Incidental costs taken under specific conditions</b>		
<b>Performance Fee</b>	15% of the excess between the new High on High (HoH) at Unit-Class level increased by the hurdle rate, during the previous five years. The hurdle rate is of 0.70%. The performance fee is calculated/accrued daily and paid annually. The actual amount will vary depending on how well your investment performs. The aggregated cost estimation above includes the average over the last 5 years.	0 EUR

## HOW LONG SHOULD I HOLD IT AND CAN I TAKE MY MONEY OUT EARLY?

**Recommended minimum holding period: 4 years**

The above mentioned period has been defined in accordance to the product characteristics. It is determined on the basis of the sub-fund's risk and reward profile. Your ideal holding period may be different from this minimum recommended holding period. If the holding period is shorter than the recommended minimum, this may have a negative impact on the sub-fund's risk and reward profile. We recommend that you discuss this with your advisor. You may request to redeem the units held at any moment, and on any business day, in accordance with the Prospectus. Any costs are shown under "Composition of costs" above.

## HOW CAN I COMPLAIN?

Any complaints must be sent by the investor to Fideuram Asset Management (Ireland) DAC in writing and according to one of the following methods indicated: registered letter with return receipt; e-mail to the address: [info@fideuramireland.com](mailto:info@fideuramireland.com). Complaints are considered validly received by the Management Company if they contain at least the following information: identification details of the person submitting the complaint; reasons for the complaint, details of the economic damage; sign-off or other element allowing for the identification of the investor. Complaints can also be sent by the investor to the authorized Distributors in the countries where the units of the sub-fund are distributed.
